10. IF YOU HAVE A COMPLAINT

If you have a problem during your holiday, please inform your tour manager, your driver or the relevant supplier/resort representative immediately who will endeavour to put things right. If your complaint cannot be completely resolved locally, you must detail your concerns in writing within 7 days of your return, giving your original booking reference number and all other relevant information so that the matter can be dealt with as soon as possible. Our contact number, for unresolved complaints will be our office number on 016973 49999 (open in office hours). It is a condition of this contract that you communicate any problem to the supplier of the services in question AND to our representative/tour driver while in resort. If you fail to follow this simple procedure, we cannot accept responsibility as we have been deprived of the opportunity to investigate and rectify the problem.

Should you wish to pursue the complaint further, the BCH/CPT have an Alternative Dispute Resolution scheme and full details are available from them. Please contact them at: The Confederation of Passenger Transport UK, Fifth Floor South, Chancery House, 53 – 64 Chancery Lane, London WC2A 1 QS.

11. OUR COACHES

We will always use our reasonable endeavours to provide a coach to the specification in our brochure or advert but reserve the right to substitute an alternative vehicle should there be unforeseen circumstances. There is a seating plan but, in some cases, operational reasons may require a coach with a different configuration. We reserve the right to alter a coach seating plan and allocate seats other than those booked. Single passengers may be required to share a double seat with other single passengers. When your booking is confirmed, you will be offered the best seats that are available at that time. If you feel that you require two seats, then these must be booked and paid for in advance, at the time of booking. If you fail to do this and it transpires that the seat allocated to you is insufficient for your needs and there is no alternative seating available, then you will be refused access to the coach and any payments made will be liable to forfeiture.

Specific seats will not be allocated on coaches operating a feeder service between joining points and main holiday departure points or on coaches that carry out transfers between airports, seaports etc.

12. CCTV

12.1 The Hirer may fit our vehicles and other property with CCTV to provide added security, monitor the conduct of customers, monitor service quality, to assist us in the process of deterring smoking, vandalism, fraud, theft, anti-social behaviour and attacks on our employees and other individuals, and in support of relevant criminal and civil legal proceedings and complaint investigation. All CCTV equipment and its operation complies with the GDPR 2018 Regulations (including the CCTV Code of Practice) and any subsequent amendments.

12.2 Images of you may be provided to the police, DVSA, the Traffic Commissioner or any other enforcement agency at their reasonable request, whether to be used as evidence in prosecuting criminal activity or in assisting the identification of individuals or otherwise.

12.3 Cameras are located in those areas where the Hirer has identified a need and where other solutions are ineffective. The Hirers CCTV system is used solely for purposes(s) identified above. In areas where CCTV is used the Hirer will ensure that there are prominent signs placed at both the entrance of the CCTV zone and within the controlled area.

12.4 The data controller, Kerrie Allison, has responsibility for the control of images and deciding how the CCTV system is used. The Hirer has notified the Information Commissioner's Office of both the name of the data controller and the purpose for which the images are used.

13. HOTEL FACILITIES

Some hotel facilities and entertainment may be withdrawn for routine maintenance or be subject to seasonal availability and provision of the facilities cannot be guaranteed. Single occupancy of rooms may be subject to a supplementary charge.

14. HEALTH AND SAFETY

In some foreign countries, standards of infrastructure, safety and hygiene may be lower than those to which we are accustomed in the UK. You should therefore exercise greater care for your own protection. There may be countries that we visit that have special medical requirements for tourists. These regulations are subject to change and our clients are responsible for complying with entry and current health requirements. If you are not sure of the health requirements for the country you are visiting, you are advised to check with your own GP before travelling. You are also advised to refer to the Department of Health leaflet "Health Advice for Travellers".

Some people may be at risk from discomfort or deep vein thrombosis (DVT) if they remain immobile on a journey for a long period. If you are planning to undertake a journey of more than three hours, you should consult your doctor, if you have ever had DVT, pulmonary embolism, a family history of clotting conditions, cancer or treatment for cancer, stroke, and heart or lung disease or if you have had major surgery in the past three months.

We reserve the right to refuse any booking in the absence of a doctor's certificate confirming that you are fit to travel. Where we provide comfort stops you are encouraged to walk around. Exercise reduces any discomfort, which may be caused by periods of immobility.

NO SMOKING is allowed on our coaches (including E-Cigarettes) and we do not allow pets or any other animals, although we accommodate registered assistance dogs, but not on overseas holidays.

15. TRAVEL DOCUMENTS, ITINERARIES, PICK-UP POINTS AND PASSPORTS

For all continental holidays, you will require a full 10-year British passport (machine readable) valid for a further 6 months after your holiday. If you do not hold a full British passport or you have any doubts about your status as a resident British subject, you must check with the Embassies or Consulates of the Countries to be visited to confirm the Passport or visa requirements when you book. We cannot accept responsibility if passengers are not in possession of the correct travel documents. For full details on passport requirements, please contact 'the identity and passport service' on 0300 222 0000 (www.direct.gov.uk)

You are responsible for ensuring you are at the correct departure point, at the correct time and with the correct documents. "Reays Coaches Limited" reserve the right to modify itineraries to conform with requests from competent authorities both within the UK and abroad.

Excursions which are included in the cost of your booking are detailed on the brochure page and refunds will not be made for excursions not taken. Optional excursions booked and paid for in resort do not form part of your booking. Admission fees to buildings may not be included in the price of the holiday, please check.

16. SPECIAL REQUESTS

All special needs and requests, if agreed, should be entered on the booking system and be included in the confirmation of the holiday. These cannot be guaranteed except where confirmed as part of our holiday commitment to you and are detailed on your holiday booking confirmation. We are keen to ensure that we plan the arrangements for your holiday so that special needs and requests can be accommodated as far as possible. If you will need assistance or may be unable to fully enjoy all aspects of your holiday you must tell us in advance so that we can maximise your enjoyment of the holiday. We will need to know if you will need special facilities in the hotel, taking part in the excursions or have difficulty boarding and travelling on the coach or other means of transport. Before booking your holiday, you should be sure that you and your party are both physically and mentally capable of completing the itinerary. If you need advice or further information either you or your booking agent should contact "Reays Coaches Limited". If you will require a special diet please tell us at the time of booking, or as soon as you are medically advised, together with a copy of the diet.

17. PASSENGERS WITH DISABILITIES

We want everyone to enjoy our travel arrangements. We are happy to advise and assist you in choosing a suitable holiday. But, as some of the accommodation and resorts featured may not cater for even minor disabilities, it is important that, when booking, you advise us of any disability, specific need or complex need you may have and any special requirements that will make sure the holiday is suitable. If a passenger requires personal assistance (for example, assistance with feeding, dressing, toileting, mobilising) then this passenger must travel with an able-bodied companion or carer and written confirmation that such assistance will be provided for the entirety of the holiday is required at the time of booking. Coach drivers/tour managers are unable to provide such assistance.

IMPORTANT You must tell us if you have an existing medical condition, disability or complex need that may affect your holiday or other group members' enjoyment of it before you book your holiday. We reserve the right to request a doctor's certificate confirming the passenger is fit to travel. If, in our reasonable opinion, your chosen holiday is not suitable for your medical condition or disability, we reserve the right to refuse your booking. You are responsible for bringing with you the proper clothing and equipment, which we advise you about in our printed trip information. We want you to enjoy your holiday and will help you select an appropriate trip.

If you or any other member of your party is abusive, disruptive or behaves in a way that could cause damage or injury to others or affect their enjoyment of their holiday or which could damage property, we have the right to terminate your contract with us and we will have no further liability or obligation to you. The coach driver/representative, ship's captain, or authorised official is entitled to refuse

you boarding if in their reasonable opinion you are unacceptably under the influence of drink or drugs or you are being violent or disruptive. If you are refused boarding on the outward journey we will regard it as a cancellation by you and we will apply cancellation charges. If on your return journey, we have the right to terminate the contract with you.

19. TRAVEL INSURANCE

We strongly advise that you take out personal travel insurance for the trip. Party members travelling without adequate travel insurance do so at their own risk. The insurance should cover medical and repatriation costs, personal injury, loss of baggage and cancellation charges. If you do not have adequate insurance and require our assistance during your holiday, we reserve the right to reclaim from you any medical repatriation or other expenses which we may incur on your behalf which would otherwise have been met by insurers.
